

In accordance to the PA Bedding & Upholstery Law & Regulations (Act #249), any item containing more than "one or more layers of fabric/upholstery (including but not limited to cushions/filling/bedding) that a child may play, sit, or lay down on must be sterilized & disinfected under the requirements of this chapter (Sec. 47.23). " List of items subjected to spraying and affixed with a sterilization tag before sale to the public are as follows:

- Comforters
- Pillows
- Car seats
- Stroller seats
- Highchair seats
- Swing seats
- Bouncer seats
- Pack-n-plays
- Upholstered furniture (rockers/gliders)
- Boppies
- Play mats
